👜 Relevant Experience

- **Savannah River Nuclear Solutions Motion Graphics Artist & Sr. Video Producer | 2018 - Present Sr. Multimedia Specialist | 2012 - 2018**
 - **Video Production:** Produced, designed, and directed over 250 videos for the DOE - Savannah River Site. My projects focused on environmental stewardship, national defense, employee health & safety, non-proliferation, and emerging technology.
 - **Live Streaming Implementation:** Won a Corporate Communications Spot Award for the implementation of a multi-camera live video streaming system complete with training manual and instructions to ensure adoption.
 - **NNSA Press Conference:** Produced a high-profile live stream announcement of a new national defense mission coming to the Savannah River Nuclear Site with high-level government officials and members of Congress in attendance.
 - **Train-ing Modules & Websites:** Won the IT spot award for designing a gamified training module used by 9,000+ staff in which employees compete in a game where they were timed and quizzed after each correct response, winning digital coins. Designed an internal training portal and 8 interactive equipment tutorials to drive internal knowledge transfer, prevent knowledge loss due to workforce attrition, and reduce new hire ramp-up time.
 - **Interactive Email/Event Page Templates:** Increased employee viewing of a monthly video program by 40% and employee event attendance by 60% through rebranding and the introduction of interactive web buttons.
 - **Essential Graphics Templates:** Reduced external rendering time and increased production efficiency by enabling producers to edit text from animations directly in Adobe Premiere.

- **Nolcha Fashion Week Freelance Graphic Designer | 2007 - 2014**
 - Help lead the design transformation of Nolcha from a startup to an award-winning fashion brand, successfully creating motion graphics designs that helped secure sponsorships with Coca-Cola, SmartWater, and ASOS.
 - Managed the design and development of all advertising and marketing collateral including motion graphic videos, brochures, sponsor kits, television advertisements, magazine layouts, and promotional videos.
 - Designed an annual interactive sponsor kit to engage potential sponsors and increase sponsorship funds.
